

Second City

CRAFTY ALLIANCE

Written By: John LaLoggia

CAST

Coach Keith

Kyle

(School Gymnasium. Keith & Kyle alone.)

KYLE

Are you the new basketball coach?

KEITH

Yes. Take a seat Mr. Leonard. You should know, that I'm somewhat foreign to this game of basketball but, none the less, am a fierce competitor in a game you might know better as, world of war craft.

KYLE

Oook so, where's the rest of the team?

KEITH

I asked you to come early today because I've been told you are the chosen one or as some of the bottom dwellers' prefer to call you, team captain. Do you deny such recognition?

KYLE

No way! Actually, I've been team captain for the past TWO years. I average 20 points a game.

KEITH

Which is why I need your help. I'm looking for a strong confident leader to form an alliance with. From what I hear, this Kingdom is low on morale and success. I'm here to change that. However, I should warn you, my methods are slightly different to the ones you are accustomed to. I too have walked across the battlefields, bewildered and beaten. Questing through the thicket of doubters and disgruntled Intel-powered Mac users.

KYLE

Yup, that's exactly why I think we are gonna get our assess kicked.

KEITH (angry)

We can't have that attitude. That negative dwarfish attitude! Do you know why the Dwarves lost the Battle of Azeroth?

KYLE

NO!

KEITH

Because there was no belief in one another. They never expected win. There was no strategy. I pledge that we'll identify all potential threats...and eviscerate them! However, I'm told that we have to shake hands at the end of the game???

KYLE

So do you like have a girlfriend or an elvish..family?

KEITH

Well first off, no human can marry and elf. Their uteruses are too powerful. But there's really only been one girl that I've seen that's had that sorcerer's spark. She had metallic blue hair and razor sharp molars. Then, after a couple of centuries, she suddenly contacted me.

KYLE

Really! What happened?

KEITH

I was finally going to tell her my true feelings after 2 long years of questing. She proposed a trade for a sexual lullaby in exchange for orc meat. As she came closer, I panicked, accidentally morphed into a dragon burning her face off. I quickly tried to reconcile with her but she logged off.

KYLE

That sucks. You should've just told her to go fuck herself.

KEITH

No, it would've only increased her strength.

KYLE

How are YOU gonna to help us win? We've lost our last 14 games. Also, I'm almost positive that you've never, PHYSICALLY, been outdoors.

KEITH

What do you mean?

KYLE

You ever play football?

KEITH

I couldn't form my teeth into the mouth guard.

KYLE

Baseball?

KEITH

Was never issued a cap.

KYLE

Golf?

KEITH

Golden tee.

KYLE

Basketball!?

KEITH

I think we both know the answer to that question

KYLE

Then what the hell are you doing here!? We're all sick and tired of being laughed at.

KEITH

When the others get here, there is going to be a massive uprising/hazing that will take place. I need you to convince the rest of the group that my powers are for good!...not evil.

KYLE (reluctantly)

Fine...how are you going to help us win?

KEITH

2 words. Warlock Offense.

KYLE

What the hell is that!? Oh and just so ya know ahead of time, none of your players can fly or throw fireballs.

KEITH

Duh, this is JV.

(Blackout.)
